

Sports Day 2014

The NSPS 2014 Sports Day was officially opened by Monique Crossling on Thursday 27th March. The weather cleared for the students to successfully participate in a range of tabloid events and gather together at the end to cheer on their House in the relays and sprints. A lot of fun was had by all!

Great Work House Leaders!

Well done to all of our house captains, vice captains and JP leaders. They played an important role in preparing the event equipment, preparing the JP relay runners, setting up in the morning and organising the runners for the relays and sprints at the end of the day. An excellent job by all!

Sports Day Recount

By Madison Hagarty - Year 1

Last Thursday it was sports day. First we went on the asphalt for fitness.

Next we did games on the back oval.

After we had recess.

Finally we did the sprints and relays.

I had a great day.

Sports Day Poem

By Freya Russell - Year 6

Sports day started at 9am
That' when the fun began
Shotput, discus and much more
Get lots of point to get a better score
At the end there's always a winner
Never know who
Till the cows go moo
This year it was McRae
Sorry Ormerod but
McRae stole the day
McRae took home 3 trophies
And Ormerod took home 1.

Thank you very much to all family helpers in the drinks van, the canteen, the sausage sizzle, setting up, packing up and during the events. Without your help our school community could not hold this event successfully. Thank you!
