## EMERGENCY CONDITIONS VERIFICATIONS 2023

We are updating our emergency contact processes particularly if a bus is unable to run due to weather or fire conditions. To do this we are creating mobile phone groups. We understand that there will be some families who do not have mobile phone contact- please indicate this on the form. This enables all families or carers to be contacted as required. (only one form required per family)

Bus Route (if applicable): .....

Child's Name: ..... Teacher:.....

Child's Name: ..... Teacher:.....

Child's Name: ..... Teacher:.....

Residential Address: .....

**Please indicate by circling which of the Contact Details and Mobile Phone Number/s below you want text messages sent to:**
