Welcome to the 2025 School Year

Dear Families,

The Staff of Naracoorte South Primary School welcome you to the 2025 school year.

A new year brings new opportunities for learning and growth for us all. We trust your children are ready and refreshed to take on the challenges of the upcoming school year.

2025 brings a new leadership team to NSPS, comprising of Caroline Scerri as Deputy Principal, Jessie Cope continuing in the role as Leader of Wellbeing, and myself as Principal, holding the role whilst Jess Edwards is on Maternity Leave. We are looking forward to working together with our staff to provide a safe and welcoming learning environment with engaging learning experiences for all of our young people.

Please read below for some important information to set up for a successful school year.

Communication

Most communication occurs via phone apps or email. Below is a guideline to help assist families navigate the various options available.

School communication - Seesaw (app). EdSmart for notices. All invoices and Receipts (via email). Newsletter (via email).

Class Learning Updates and teacher communication - Seesaw (app)

Absences - Community Portal and SMS Reply.

Student Drop off and Collection

Before and after school can be very busy in the streets around the school. Please observe the speed limit of 25km/h for School zones, as well as the no standing and parking zones to ensure the area is safe for children to navigate.

Parents are asked to remain outside of the school buildings when arriving to collect their children at the end of the day. This keeps corridors and locker spaces clear to allow for safe movement of students, and also allows children to develop their pack up and self-management routines with the assistance of their teachers and SSO support staff.

Breakfast Club - Call for Volunteers

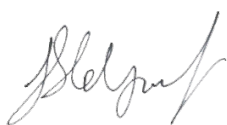

Currently, we do not have sufficient volunteers to continue running Breakfast Club in its current format for 2025. Before considering changes to how we deliver the Breakfast Club program, we are putting out one last call for volunteers who are willing and able to assist from 8-8.30am on school days.

If you would like to volunteer, or find out more information, please contact the school front office on 8762 2977.

All the staff at NSPS are looking forward to the 2025 school year.

Staff together with the leadership team are looking forward to continuing to build the supportive, inclusive, and inspiring community that is NSPS this year.

Kind Regards,

Felicity Slotegraaf, on behalf of the team at NSPS
Acting Principal
